

CL Challenger Lifts

Model#: MR6
Portable Mid-Rise Lift
6,000 lb. capacity

MR6

Challenger Lifts' Portable Mid-Rise Lift is a great way to increase the productivity in a shop. It's like having a service bay anywhere, indoors or out.

The motor is conveniently mounted to a Heavy-Duty tow dolly, making it easy to move and operate on almost any solid surface.

Exclusive features include a sliding/rotating arm design with rubber pads, low drive-over clearance, and much more.

Features & Benefits:

- Portable mid-rise lift with Heavy-Duty tow dolly provides flexibility to service vehicles anywhere, inside or out
- 7 locking positions allow technician to work at an ergonomic height to increase productivity and minimize fatigue
- Electric motor mounted on tow dolly provides convenience and ease of maneuverability
- Single push button power unit with release valve provides convenience when lifting and lowering vehicles
- Slip-on rubber pad adapter kit with height extension accommodates high profile vehicles
- Sliding/rotating arm design accommodates meeting pick-up points on a wider range of vehicles

Power Unit Features:

Convenient single push button power unit raises lift and a release valve handle lowers it.
